## Depression, Dust Bowl, and a New Deal

**B**y 1933 the average wage was 60 percent less than in 1929 and unemployment had skyrocketed to 25 percent. Dust storms forced many farmers to give up their land.

Americans escaped harsh realities by playing Monopoly, reading the adventures of "Buck Rogers" and "Flash Gordon," and listening to Hoagy Carmichael's "Stardust." Popular films included King Kong and *It Happened One Night*. For the first time, African-American athletes became national idols: Joe Louis in boxing and Jesse Owens in track and field.

Prohibition was repealed in 1933. President Franklin Roosevelt fought the Great Depression with his New Deal programs. The "Star-Spangled Banner" was chosen as the national anthem. The Empire State Building rose above the Manhattan skyline and the Golden Gate Bridge spanned the San Francisco Bay. Back on the ground, the parking meter made its first appearance in 1935.

As the decade closed, many Americans were anxious about the growing war in Europe.

New words: all-star, oops, pizza, racism.

'Thanks for the Memories'

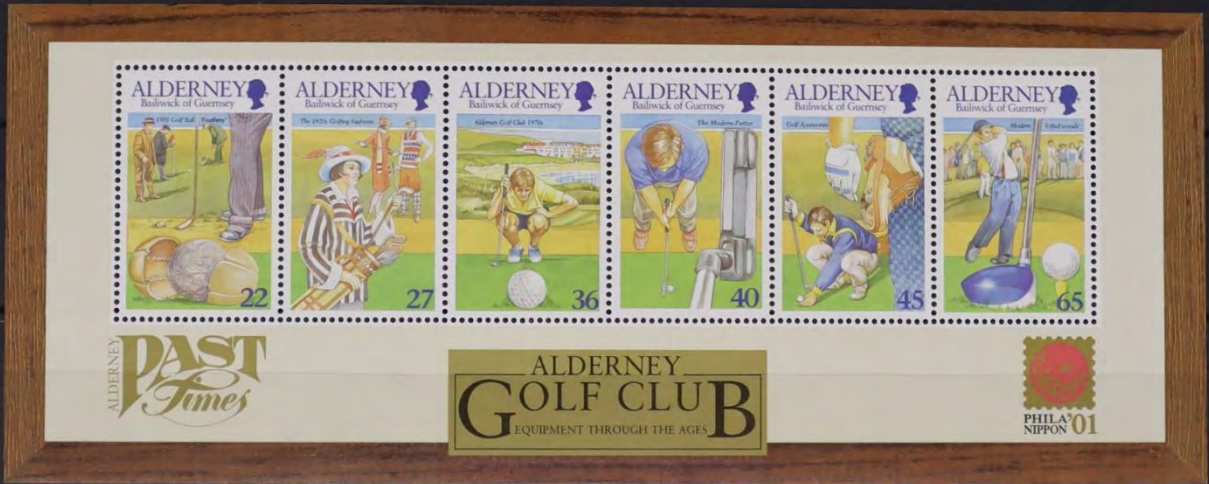

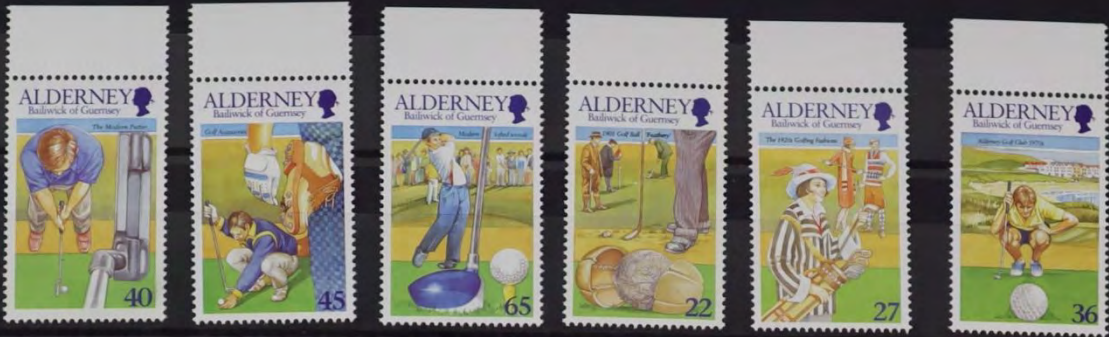

*"If I could live my life over, I wouldn't have time!"*

Bob Hope is considered by many as the most beloved entertainer of the 20th century. Born in Etcham, England in 1903 he would later move to the United States where he made his show business debut on stage in 1924. Overall, Hope would go on to star in more than sixty movies, host hundreds of prime time radio and television specials, have a charity pro golf tournament named after him and entertain over ten million soldiers in service. His remarkable career spans more than sixty years in which he has conquered every major form of entertainment.

FIRST DAY OF ISSUE

From a 13¢ for a 1977 year... the Amateur Tournament five times, the American Open four times, the British Open three times and the British Amateur once. In 1930 he achieved the "Grand Slam" of golf by winning the British Amateur, the British Open, the United States Open and the United States Amateur Championships. This crowning achievement of his career was deemed by sports writers to be the greatest exhibition of skill and character by any individual athlete since the beginning of recorded sports history. Retiring from tournament golf in order to practice law, he assisted Alister MacKenzie in the design of the Augusta National Golf Course, home of the Master's Tournament. G.A.S.M.

## CHICAGO GOLF CLUB CELEBRATES 100TH ANNIVERSARY

The first 18 hole golf course was designed and constructed by Charles Blair MacDonald for the Chicago Golf Club at Wheaton, Illinois. It opened for play in 1893, only three years after the opening in Newport, Rhode Island of a 9 hole course. When the United States Golf Association formed in 1894, the Chicago Golf Club was one of the 5 charter members. The wooden golf tee (1899) and the steel shaft golf club (1910) were not yet invented!

GARY PLAYER . . . . . die naam is vandag al legendaries in die wêreld van gholff. Op 40-jarige ouderdom is hy een van slegs vier spelers wat al die GRAND SLAM van gholff gewen het, t.w. die Britse Ope (drie keer), die Amerikaanse Ope (een keer), die Amerikaanse PGA (twee keer) en die Amerikaanse Masters (twee keer). Hierdie prestasie troon bo baie ander groot oorwinnings uit soos die Sud-Afrikaanse Ope (nege keer), die Australiese Ope (sewe keer), die 'Piccadilly World Matchplay' (vyf keer), die Wêreldreeks (drie keer), die Wêreldbeker (voorheen Kanada-beker) saam met Harold Henning, en die Brasiliaanse Ope (in 1974, toe hy in een rondte 'n wêreldrekord van 59 behaal het). Player het al meer as 100 groot toernooie oor die hele wêreld gewen.

Hy is die enigste nie-Amerikaner wat al die Amerikaanse Masters gewen het (in 1961 en weer in 1974) en, afgesien van Ted Ray van Engeland (1920), ook die enigste nie-Amerikaner wat die Amerikaanse Ope (1965) kon wen. Hy is die tweede speler na die legendariese Harry Vardon van Engeland wat die Britse Ope in drie verskillende dekades kon wen (1959, 1968 en 1974).

Player is op 11 September 1974 saam met twaalf van die beste gholffspelers wat ooit geleef het in die VSA vereer deur tot die WORLD GOLF HALL OF FAME in Pinehurst, North Carolina, toegelaat te word.

Gary Jim Player is waarlik 'n 'Wêreld-gholffspeler', 'n man wat na feitlik enige land ter wêreld kan reis en 'n gholfftoernooi daar wen. Hy is 'n moedige, talentvolle en toegewyde speler wat net sy heel beste lewer. Hy rook en drink nie en bly fiks d.m.v. daaglikse oefeninge, hardloop, ens. Hy stel 'n pragtige voorbeeld vir sy junior medespelers. Sy godsdiens was nog altyd die rigsgnoer van sy lewe en hy is 'n menslike en lewenskragtige man. Hy was in die verlede, en is nog steeds, 'n uitstaande ambassadeur vir sy land.

Wanneer Gary nie gholff speel nie, ontwerp en bou hy gholffbane en hy geniet dit om sy groot boerderybelange te ontwikkel wat die teel van renperde insluit. Hy en sy vrou Vivienne en hulle ses kinders woon op 'n landgoed naby Johannesburg.

GARY PLAYER . . . . . the name has already become legendary in the golfing world. At 40 he is one of only four golfers to have won golf's GRAND SLAM, viz the British Open (thrice), the US Open (once), the American PGA (twice) and the American Masters (twice). This achievement towers above many other major wins such as the South African Open (nine times), the Australian Open (seven times), the Piccadilly World Matchplay (five times), the World Series (thrice), the World Cup (formerly Canada Cup) with Harold Henning, and the Brazilian Open (in 1974, when he scored a world record of 59 in one round). Player has won over 100 major tournaments throughout the world.

He is the only non-American to have won the Masters (in 1961 and again in 1974) and, apart from the Englishman Ted Ray (1920), the only non-American to win the US Open (1965). He is the second player since the legendary Harry Vardon of England to have won the British Open in three different decades (1959, 1968 and 1974).

On September 11 1974 Player was honoured in the USA together with twelve of the greatest golfers who ever lived by being admitted to the WORLD GOLF HALL OF FAME at Pinehurst, North Carolina.

Gary Jim Player is truly a 'World golfer', a man who could travel to almost any country in the world and win a golf tournament there. He is a courageous, talented and dedicated golfer who gives only of his best. A non-smoker and teetotaler, he remains fit through daily exercise, sprinting, etc. He is a shining example to junior golfers. Faith in God has been the guiding principle of his life and he is a man of warmth, grace and vitality. He has been, and still is, a great ambassador for his country.

When Gary is not playing golf, he designs and builds golf courses and enjoys developing his extensive farming interests, including the breeding of race-horses. He and his wife Vivienne, with their six children, live on an estate near Johannesburg.

## ULANG TAHUN KE 100 KELAB GOLF DIRAJA SELANGOR

Kelab Golf Diraja Selangor telah ditubuhkan oleh dua orang adik-beradik penanam kopi, Clem dan John Glassford bersama-sama Kit dan Robert Meikle kira-kira 100 tahun yang lalu. Mesyuarat pertama telah diadakan pada 21hb. Januari, 1893 khusus untuk membincangkan cadangan menubuhkan sebuah kelab golf di Kuala Lumpur dan dihadiri oleh 30 orang ahli pengasas yang lain.

Selepas perbincangan yang hangat, satu kawasan seluas 80 ekar di Bukit Petaling yang sebahagiannya merupakan tanah perkuburan yang terbiar telah dipilih. Adik-beradik Glassford dan A.T.D. Berrington, Ketua Majistret Selangor telah mengambil alih tanggungjawab untuk membina padang golf yang menelan belanja RM300.00 termasuk kerja-kerja penyelenggaraan selama setahun. Padang Golf 9 lubang ini telah dibuka pada 21hb Ogos tahun itu. Yuran kemasukan ialah RM5.00 dan yuran bulanan 50 sen. Rumah kelab telah disiapkan satu tahun kemudian.

Pada tahun 1918, Kerajaan Negeri telah menuntut balik tanah di Bukit Petaling untuk dijadikan Taman Rekreasi dan memberi Kelab Golf Selangor sebidang tanah ditempat lain untuk

pembinaan padang golf 36 lubang dan rumah kelab. Kerajaan Negeri juga telah membiayai peruntukan kewangan pembinaan tersebut.

Kerja pembinaan padang golf bermula pada tahun 1920 dan pada bulan Oktober 1921, padang golf 9 lubang dan rumah kelab telah siap dibina, lapan gelanggang tenis dan satu lagi padang golf 9 lubang telah dibuka setahun kemudian.

Pada tahun 1931, padang golf ini telah menjadi 36 lubang. Walaupun terdapat bantahan mengatakan kelab ini ialah kelab golf, sebuah kolam renang juga telah dibina pada tahun 1937.

Kelab ini telah berkembang sehingga kedatangan Jepun ke Malaya pada tahun 1942. Semua aktiviti telah diberhentikan. Tentera Jepun telah menjadikan rumah kelab ini sebagai sekolah tentera dan menjadikan padang golfinya sebagai padang kapal terbang dan kebun sayur. Berek muncul dengan tiba-tiba dan penduduk setinggan berpindah masuk.

Selepas perang, Tom Verity - seorang profesional yang pulang setelah bertugas dengan Resistance Forces telah membuktikan bahawa permainan golf yang dahulunya dikatakan tidak akan

dimainkan lagi oleh orang-orang disini salah belaka. 'Two Nines' telah dibaikpulihkan pada akhir tahun 1946 dan dua tahun kemudian, kesemua 36 lubang dapat berfungsi. Kedua-dua padang ini dikenali padang lama dan padang baru sebaik sahaja kelab menyambut ulang tahun ke-60 penubuhannya pada tahun 1953.

Pada pertengahan tahun 50an, Tunku Abdul Rahman Putra Al-Haj Perdana Menteri Malaysia yang pertama, ialah orang di belakang tabir yang menambahkan jumlah rakyat Asia untuk menjadi ahli. Manakala tahun 60an ialah tahun yang penting dalam sejarah Kelab. Piala Putra yang dibiayai oleh Tunku Abdul Rahman untuk kejohanan Pasukan Golf Asia Tenggara telah dilancarkan pada tahun 1961 dan ini diikuti oleh Kejohanan Terbuka Malaysia pada tahun 1962. Perkataan 'Royal' telah dianugerahkan kepada Kelab Golf Selangor pada tahun 1963 oleh Yang di-Pertuan Agong, D.Y.M.M. Tuanku Syed Putra Ibn Al-Marhum Syed Hassan Jamalullail Raja Perlis Indera Kayangan. Orang Asia telah dicalonkan dan dipilih oleh Ahli Jawatankuasa, dan padang 9 lubang, par 3 dinamai Sulaiman Course.

Kelab Golf Diraja Selangor telah banyak melalui peringkat peluasan untuk menampung pertambahan jumlah ahli dan memenuhi keperluan pada zaman moden ini. Padang Lama dan Padang Baru juga telah diubahsuai, manakala kawasan 'tee' dan 'green' ditanam semula dengan rumput. Walau

bagaimanapun, kawasan fairway masih berumput cowgrass 'bermuda biasa' digunakan untuk kawasan 'tee' dan 'tiffdwarf' pula digunakan untuk kawasan 'green'. Kebanyakan kejohanan besar telah dipertandingkan di 6,941 ekar padang lama manakala 6,474 ekar padang baru digunakan untuk padang lain. Kedua-dua padang ini rata dan dikelilingi oleh pokok-pokok matang.

Kelab Golf Diraja Selangor telah menjadi gelanggang 26 Kejohanan Terbuka Malaysia, Kejohanan Nomura 1977, Kejohanan Amatir Pasukan Golf Asia yang akan diadakan pada bulan Ogos tahun ini, Colgate-Palmolive Far East Open Women's Invitational pada tahun 1978, Queen Sirikit Cup 1985, Malaysian Amateur Golf Championship, Dunhill Malaysian Master dan Kosaido Asahi Malaysian Ladies Open.

OLD COURSE, ST. ANDREWS

## THE 1995 OPEN

The 124th Open Championship was held on the Old Course at St Andrew's, Fife where golf has been played at least since the fifteenth century. 'The Royal and Ancient Golf Club of St Andrews' was founded in 1754, and William IV gave his consent to the 'Royal' prefix in 1834.

The Championship was won by 29-year-old American John Daly, winner of the 1991 PGA Championship. In a nerve-wracking finish he beat Italian Costantino Rocca in a four-hole play-off by four strokes, the first play-off in six years.

For 16 holes, Daly was a model of controlled, sensible golf, wobbling only with two bogeys near the end for a 71 as Rocca matched him with a 73 for a total of 282, the highest at St Andrews since 1970, as a huge putt out of the Valley of Sin for a birdie three.

In the end, however, Daly's 4,3,4,4 over the first, second, 17th and 18th holes was far too good for Rocca's 5,4,7,3 as he joined other famous names on the silver Claret Jug.

The day had been difficult and only two players broke 70, Royoken Kawagashi of Japan, with a 68 in the first game out with a marker and later by Bottomley, who had a 69. Indeed only 17 players beat par on a difficult day for players with 52 mph winds.

The winning scores were Daly (US): 67, 71, 73, 71 and Rocca (Italy): 69, 70, 70, 73.
