Horace and Goofy blow out big!

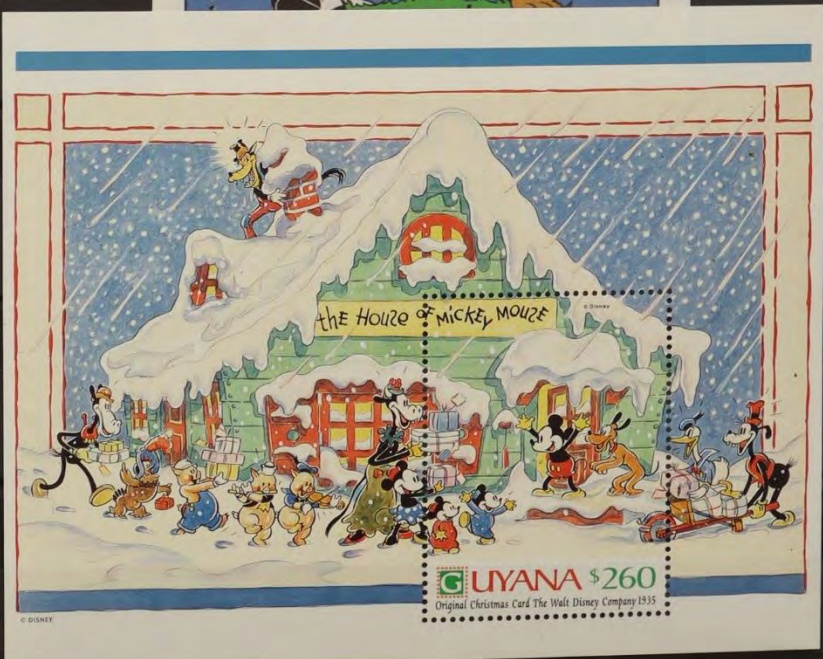

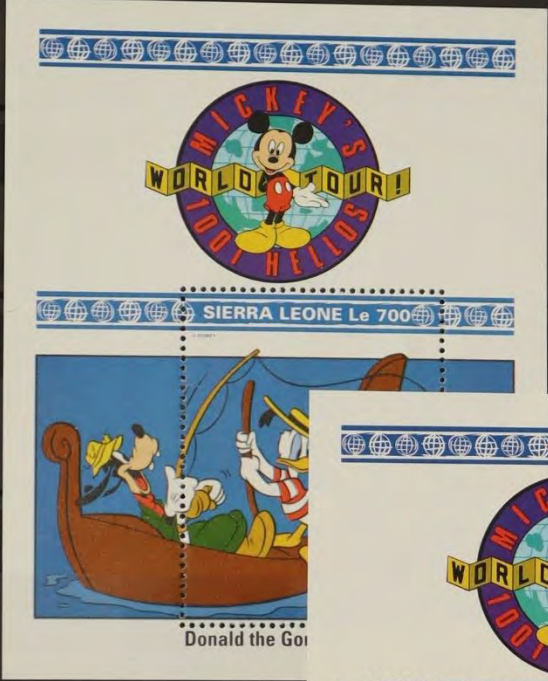

Walt Disney's Symphony Hour

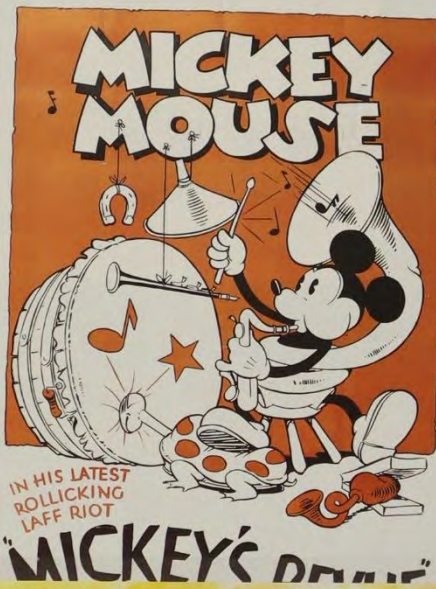

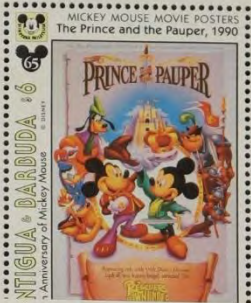

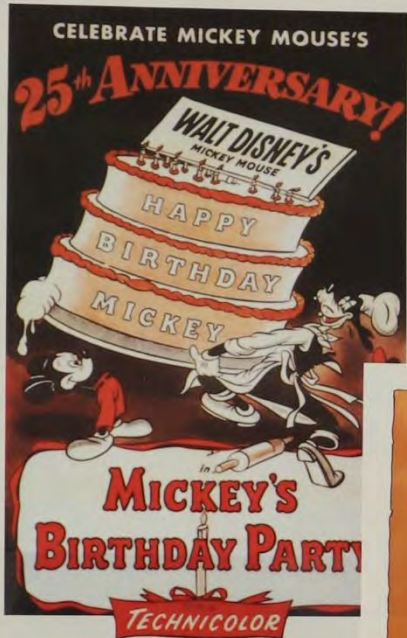

Release date: 1942

Thrilled with Mickey's orchestra, Mr. Macaroni hires the talented musicians to perform the "Light Calvary Overture" on his radio program. While the sweet sound of cash registers ring in the sponsor's ears, Goofy smashes the instruments in the

elevator. The show must go on, and Mickey's band puts on quite a concert, complete with gadgets, bells and whinnies. It's a surprise to everyone—especially Macaroni—when the crowd goes wild over this "modern music!"
