Shirley Temple

Captain January

Shirley Temple sang and danced her way through *Captain January*, one of her most memorable childhood movies. Based on the novel by Laura E. Richards, Shirley plays the role of Star, a little girl who is rescued from a shipwreck by the Captain (Guy Kibbee), a kindly lighthouse keeper. He's determined to keep Star as his daughter, although the new town truant officer is just as determined to take the precocious home-schooled child away from him. Shirley's dancing partner is a young Buddy Ebsen, who is well known through his television career as Uncle Jed from *The Beverly Hillbillies* and later, *Barnaby Jones*. This lively, seafaring tale features Shirley singing an operatic aria as well as other tunes that were popular hits in the mid-1930's.
