Shirley Temple:
Heidi

Heidi is considered to be one of Shirley Temple's best films. Based on the classic children's story by Johanna Spyri, Shirley costarred with veteran actor Jean Hersholt in this tale of a spunky child living in the Swiss Alps. In the film, Shirley reformed her bitter grandfather, taught an injured girl to walk again and escaped the clutches of an evil governess through an exciting sled chase. The role of Heidi has become so synonymous with Shirley Temple that many can't think of the story without her!
