 EXPO 2010 SHANGHAI CHINA

EXPO 2010 SHANGHAI CHINA  
 To celebrate the Expo 2010 Shanghai China, and its theme of Better City, Better Life, these stamps explore remarkable similarities between New Zealand and Chinese cultures, from jade and pounamu to indigenous stories of creation, guardianship to treasures of the natural environment. The New Zealand images reflect artifacts on display at the New Zealand Pavilion, or the Expo theme. Visitors moving along the Pavilion's 112-metre walkway experience the New Zealand theme of 'Cities of Nature: Living between Land and Sky.'
